1 Ukrainians!

Today is Forgiveness Sunday. A day when we always apologized. To each other. To all people. To God. But today, it seems, many have not mentioned this day
5 at all. Have not mentioned the obligatory words: "Forgive me." And the obligatory answer: "God forgives, and I forgive." These words seem to have lost their meaning today. At least in part. After everything we went through.

We will not forgive the destroyed houses. We will not forgive the missile that
10 our air defense shot down over Okhmatdyt today. And more than five hundred other such missiles that hit our land. All over Ukraine. Hit our people and children.

We will not forgive the shooting of unarmed people. Destruction of our
15 infrastructure.

We. Will. Not. Forgive. Hundreds and hundreds of victims. Thousands and thousands of sufferings. And God will not forgive. Not today. Not tomorrow. Never. And instead of Forgiveness, there will be a Day of Judgment.

20 I'm sure of it.

It seems everything Russian servicemen have already done is still not enough for them. Not enough ruined destinies. Mutilated lives. They want to kill even
25 more.

Tomorrow Russia has officially announced the shelling of our territory. Our enterprises. Defense complex. Most were built decades ago. By the Soviet government. Built in cities. And now they are in the middle of an ordinary
30

urban environment. Thousands of people work there. Hundreds of thousands live nearby.

This is murder. Deliberate murder.

35

And I have not heard a reaction from any world leader today. From any Western politician. Reaction to this announcement. Think about the sense of impunity of the invaders: they announce their planned atrocities. Why?

40 Because there is no reaction. Because there is silence. Not a word, as if Western leaders have dissolved tonight. For this day. I hope that at least tomorrow you will notice it. React. Say something. We know exactly who prepared this attack. We know exactly how orders will follow the vertical command. We know everything.

45

And we will not forgive anything. The Tribunal is waiting for you. And God's judgment, if you try to hide.

The audacity of the aggressor is a clear signal to the West that sanctions against
50 Russia are not enough. Because they didn't understand. Did not feel. They did not see that the world is really determined. Really determined to stop this war. You will not hide from this reality.

You will not hide from new murders in Ukraine.

55

There was a lot of talk about humanitarian corridors. There were talks every day about the opportunity for people to leave the cities where Russia came. Russian military.

60 I am grateful to every Ukrainian who stays to defend our cities, even in the encirclement. Our freedom.

But I also know that there are people who really need to get out. Who cannot stay. And we heard the promise that there would be humanitarian corridors.

65 But there are no humanitarian corridors.

Instead of humanitarian corridors, they can only make bloody ones.

70 A family was killed in Irpen today. A man, a woman and two children. Right on the road. As in the shooting club. When they were just trying to get out of town. To escape.

The whole family. How many such families have died in Ukraine! We will not
75 forgive. We will not forget.

We will punish everyone who committed atrocities in this war. On our land. We will find every bastard. Which shot at our cities, our people. Which bombed our land. Which launched rockets. Which gave the order and pressed "start".

80 There will be no quiet place on this earth for you. Except for the grave.

Today I decided to award orders to the heads of regional administrations and mayors who have excelled in the defense of their communities.

85 The Order of Bohdan Khmelnytsky of the Third Degree is awarded to:

Head of Kharkiv Regional State Administration Oleh Vasyliovych Syniehubov.

90 Head of Mykolaiv Regional State Administration Vitalii Oleksandrovyh Kim.

Head of Donetsk Regional State Administration Pavlo Oleksandrovyh Kyrylenko.

95 Head of Luhansk Regional State Administration Serhiy Volodymyrovych Haidai.

Head of Chernihiv Regional State Administration Vyacheslav Anatoliyovych Chaus.

100 Head of Sumy Regional State Administration Dmytro Oleksiyovych Zhyvytskyi.

The Order of Courage is awarded to:

105 Mayor of Kharkiv Ihor Oleksandrovyh Terekhov.

Mayor of Mykolaiv Oleksandr Fedorovych Senkevych.

110

Mayor of Chernihiv Vladyslav Anatoliyovych Atroshenko.

Mayor of Sumy Oleksandr Mykolayovych Lysenko.

115 Mayor of Kherson Ihor Viktorovych Kolykhaev.

Mayor of Melitopol Ivan Serhiyovych Fedorov.

Mayor of Nova Kakhovka Volodymyr Ivanovych Kovalenko.

120

And I decided to award a special title to our heroes, our hero cities. As it has already been once. When we withstood another attack. But a similar attack.

Another invasion. But no less brutal invasion.

125

Hero cities will be: Kharkiv. Chernihiv. Mariupol. Kherson. Hostomel. Volnovakha.

Glory to Ukraine!
