1 Ladies and gentlemen,

It is getting to me now to realize that this was my last lap, I did on speedway.

5 And if you don't mind, I know I was third today, I'm going to step up on the number one spot, not because I want to think that I won it, but I would like to get up there, because I have something, I think, special I want to tell you all.

So, if you'll excuse me on the number one. Sorry Kenny.

As I was telling Charles you know it's not rain, it's me crying. Because it is very very sad for me to stop, but then again it has a little bit of a feeling as well, because I owe so much to England.

15 England has done everything for me. I came over here, only with my bike.

I remember years back, and it has just given me so much this sport. And all of you coming here today, it is unreal what it has given me of pleasure.

20 Thank you!
